EVERY DAY

Could there be more striking evidence of the popularity of the "Queen Quality" Shoe than these amazing figures? Every day this

great factory consumes the skins of 7,800 kids and goats, 300 horses and colts, 300 calves and 425 steers.

There is a reason why women show so marked a preference for "Queen Quality" Shoes. Big stock of Spring styles from this factory just unpacked and here.

BIG SALE! BIG SALE! AT BRADY'S

Do like the millionaire who said, when asked how he managed to accumulate so much money, "I buy my straw hats in the winter." Buy your Suit and Overcoat now for next Winter. The style and quality of our Suits and Overcoats are acknowledged to be superior to the ordinary to the extent that it is perfectly safe for you to make a selection now at half price, or near half price. They will cost you more next Winter. This is what hundreds of men have been doing for the last two weeks at our big sale. It is a positive fact that we could carry these Overcoats and Suits over until next Winter and sell them at the regular prices they are actually worth, but we do not do business that way, and we are determined to dispose of every Winter Suit and Overcoat in our entire stock in order to get them out of the way of new Spring merchandise. In one respect this means a big financial loss to us; in another it does not, for every Suit and Overcoat sold means a new customer for Tom Brady.
